Juniors: Register now for the Summer/Fall Russ Morrison Junior Golf Program

The Russ Morrison Junior Golf Program prepares youth 7 to 17 to play the game of golf while encouraging sportsmanship and fair play while having fun. Instruction covers all aspects of golf necessary to produce a well-rounded player: full swing, putting, short game, trouble shots, course management, rules and etiquette, all taught by PGA and LPGA instructors from the Santa Barbara area along with volunteer golfers.

Registration for the Summer/Fall session begins Saturday, May 19, and instruction runs each Saturday from 3:30 to 5pm. "Blue Group" members will be able to play the course on Wednesday and Saturday afternoons. All members will have fun practicing on Saturdays with putting, chipping, and full swing on the practice range. Outings on the course and an annual tournament for the kids are included in one low fee. This year the program has been expanded into two \$50 sessions, with 6 extra Saturdays added for the year. Check the website for details and registration forms at: www.sbyouthgolf.com .
